

Letter of Recommendation
Troy Halverson
Actor

Horror Hotel LLC

March 25th, 2013

To Whom it may concern;

This letter is intended to serve as a reference for Troy Halverson related to his potential selection as an actor.

Troy is one of the most professional actors I have worked with during my time in film. He was on time to the set and rehearsals, he knew his lines, and his acting skills are superb. Troy was completely professional and a joy to work with. He was always willing to take direction, and we never had to retake a shot because of his lines. He's a very funny guy, and I particularly like his facial expressions that can really bring out a character.

Troy is capable of delivering an exceptional performance no matter how demanding the part is. He would be a valuable asset to any production as he was in mine. I look forward to working with him again, and I would highly recommend him for any film production.

I write this letter with complete sincerity in that I am very selective for whom I write a general recommendation for because few actors impress me like Troy has. He did an exceptional job, and I was very pleased with his professionalism.

Please give Troy every consideration during your selection process.

Sincerely
